

BAUER 25 Year Guarantee

The company ensures that **BAUER** products it provides, covered by this 25-year guarantee, are free of any defects and will maintain their intended functionality for 25 years from the purchase date under the full guarantee.

Guarantee Terms

- 1.**
The products must be used strictly in accordance with all technical specifications (including product information and technical data sheets) in effect at the time of purchase, as well as the correct application practices of the product.
- 2.**
The work must be adequately maintained to avoid being affected by unforeseen or unusual circumstances, should not undergo unusual or negligent use, and should not undergo any subsequent work without prior written agreement.
- 3.**
The products must be stored in accordance with the instructions provided in the packaging and technical documentation and must be used within the specified storage period.
- 4.**
Any malfunctions should be promptly reported to the Company, providing sufficient information, records, licenses, and proof of purchase of the products to facilitate investigation of the request.
- 5.**
The products should not be used in conjunction with products from other manufacturers that have not been validate by us.

Liability

Our liability under this guarantee is confined to the reasonable expenses of materials (including replacement products) and labor (excluding travel expenses for the technician) involved in remedial work. It specifically excludes any consequential losses, whether direct or indirect, such as wasted time, materials, or expenses, as well as loss of use, profit, production, revenue, expected savings, or goodwill. It's important to note that this guarantee does not impede the statutory rights of consumers.

Notes

The terms and conditions regarding **BAUER** products covered by the 25-year guarantee are outlined in our product Technical Data Sheets. For further information and/or copies, please contact the company's Sales Department.
